VANGENT NAMED TO 2008 'EMERGING LEADERS IN TRAINING OUTSOURCING' LIST

This marks the second consecutive year Vangent has been selected for this prestigious list

Chicago, IL, September 3, 2008 – Vangent, Inc., a leading provider of results-oriented human capital and talent management solutions, today announced that it has been named as an “Emerging Leader in Training Outsourcing” for the second consecutive year by TrainingOutsourcing.com.

TrainingOutsourcing.com, a leading authority on the corporate training industry provides relevant, high value, and objective information to the learning marketplace. The company’s lists are typically seen by approximately 2.5 million people annually through training magazines, trade journals, research reports, and a variety of other media. Corporate, government, and other organizational learning leaders rely on these lists to help identify those companies most qualified for strategic learning outsourcing engagements.

Vangent’s holistic and complementary [learning solutions](#) range from learning strategy and performance consulting, to large scale courseware development and conversion, and LMS consulting and implementation to leadership development and assessment. Vangent’s diverse solution set, long-standing relationships with large industry leading clients, and proven track record of learning innovations are several reasons for the company being selected to the influential list.

“Vangent offers a compelling value proposition, a demonstrated ability to handle large scale projects, and an impressive list of revered clients with whom they’ve had long term relationships,” said Dr. Jim Hanlin, Chief Marketing Officer at TrainingOutsourcing.com. “Based on their deep experience, strong financial discipline, and portfolio diversification, we expect that Vangent will continue to emerge as a powerful force in the training outsourcing space.”

TrainingOutsourcing.com contacted over 400 companies to assess their expertise, experience, and capabilities. They also looked at the marketing strategy of each company to determine if training outsourcing was considered to be a core service in their business model and evaluated the strength of each company's major clients. Other important evaluation factors included the organization’s ability to provide international learning services and implement innovative learning analytics.

“Vangent is honored to be recognized by TrainingOutsourcing.com as an ‘Emerging Leader in Training Outsourcing’ for the second year in row,” said Mike Callahan, Vice President, Learning Solutions at Vangent, Inc. “This acknowledgement reaffirms our commitment to providing clients with a diversified suite of pertinent learning solutions, a passion for continuous customer satisfaction, and dedication to delivering measurable business results.”
